

Handy items for your outdoor teaching kit

You don't need a lot of equipment to start teaching outside, but it helps to start with a few basic items and then add from there. Inexpensive items that can be used for a variety of activities are best.

- Tote/container for carrying things – best with lid
- Individual sport packs or buckets – for each student , if you wish
- Tarp
- Clipboards
- Pencils
- Rulers
- Magnifying glasses
- Small plastic bowls
- Bug jars – 1 or 2
- Webbing
- Flagging tape
- Mini pylons
- Puppets
- Foamie mats (or other type of 'sit-upon')
- Cardboard frames / hula hoops
- First aid kit
- Depending on the weather/season: water bottles, sunscreen, hats, mittens, etc.
